Microtonal Music Dataset v1
EULA (End User License Agreement)

By signing this agreement, the user agrees to the terms outlined below for utilizing the Microtonal Music Dataset v1:

1. Commercial use

Microtonal Music Dataset v1 (this dataset) is **<u>strictly for academic research and may not be employed for commercial purposes.</u>** Users of this dataset must not use the dataset for purposes other than those stated in this application form.

2. Responsibility

This document must be signed by a person with a permanent position at an academic/research institute (the user). A maximum of five other researchers from the same institution, for whom the primary user assumes responsibility, can be included in this license by listing their names below. The user is required to apply using their official institute's email and must furnish a webpage link that confirms their position and email address within the institution.

3. Distribution

The user may not distribute the dataset or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations.

4. Publications

Any documentation or papers deriving from research that employed the Microtonal Music dataset must cite:

Tatsunori Hirai, Lamo Nagasaka, Takuya Kato: "Microtonal Music Dataset v1," in Proc. of the 16th International Symposium on Computer Music Multidisciplinary Research, 2023.

This includes papers, conference presentations, and educational materials.

5. Misuse

If the dataset's administrators suspect a violation of this EULA, the user will be promptly informed and access to the dataset will be revoked. The user must then delete all copies of the dataset in their possession.

6. Changes

Microtonal Music Dataset v1 administrators reserve the right to change this EULA at any time. Users will be informed of any changes in advance and can choose to accept the new

terms or opt out. Opting out will render the previous EULA void (and thus the user will lose their right to use the dataset).

7. Warranty
The dataset is provided without any warranties. The dataset's administrators shall not be liable for any harm or damage arising from its use.

8. Protection of Personal Information
The personal information collected in this application will be used solely for the management purposes of this dataset.
